Wave 3 Fischer Family Trust Intervention Programme

A **three day** course to support raising pupil attainment in early reading and writing

Wave 3 FFT is a 10-20 week highly structured intervention programme delivered by Teaching Assistants to raise attainment in early reading and writing. It is aimed at **Y1 and 2 pupils to ensure pupils are on track to achieve age related expectations** in both reading and writing. It can also be used effectively with targeted pupils in **Y3 and 4 to support accelerated progress to narrow the gap towards attaining age related expectations.**

Trainer: Jan Owens

The **three day** course will address:

- Developing a deeper understanding of the learning needs of pupils who experience literacy difficulties
- Supporting practitioners in effective observation with an emphasis on analysing pupil strengths and gaps in learning
- Implementation and analysis of specified assessment procedures linked to the intervention programme
- The daily lesson structure of the intervention programme and underlying principles
- Effective teaching of reading and writing in response to analysis of assessments and lesson outcomes with a focus on accelerated learning and attainment
- Tailoring of learning programmes to address individual pupil learning needs to ensure accelerated progress
- Links to quality first teaching in relation to guided reading and writing

N.B. Gap tasks will be set for school implementation and outcomes discussed during the training days

What they said about the course:

"Amazing to find an intervention that will support children's learning to such an intense level and at an early stage. Can't wait to put it in place. Thank you."

"I've loved it. It has challenged my thinking and given me lots to think about and implement."

"Thanks for a great opportunity to get FFT running in our school. Really enjoyed all sessions."

Raising Attainment in Reading Comprehension: 'Inference Training'

A **one day** course to equip practitioners to implement a group intervention to raise pupil attainment in inferential comprehension, as well as applying the key intervention principles and strategies in the classroom context

'Inference Training' is a research-based **group intervention for KS2 and KS3 pupils with a focus on teaching reading comprehension** delivered by teachers or teaching assistants. This intervention programme supports **accelerated pupil progress by an average of 12 months progress** in comprehension over a period of 10 weeks.

Trainer: Jan Owens

This course will address:

- Raising attainment in reading for KS2 and KS3 pupils who have age appropriate decoding skills but who are experiencing difficulty acquiring full meaning and enjoyment from their reading
- Key characteristics of reading comprehension
- Explicit identification of individual pupil difficulties in comprehending texts
- How to deliver a structured approach to the teaching of Inference Intervention sessions
- Applying key principles of 'Inference Training' Intervention to quality first teaching in the classroom context
- How to evaluate impact on data and effectiveness on pupil attainment and progress

What they said about the course:

"Another brilliant training session which should have a most positive effect on pupil progress. Clearly delivered with excellent supporting materials."

"All parts useful - made me look differently at the delivery/teaching of comprehension."

"A fab day with some really useful and relevant resources and info."

"This was a great course and would highly recommend it to everyone."
